- MP3 Player with Record-on-the-Fly Microphone

Genasys™

360XL-MID Mobile Kit

Rapidly Deployable Public Safety Notification System

RAPIDLY DEPLOYABLE AND HIGHLY INTELLIGIBLE PUBLIC SAFETY NOTIFICATION

This Genasys omnidirectional emergency warning and mass notification system is housed in a lightweight, compact form factor.

Featuring industry-leading voice intelligibility, every word in a Genasys 360XL-MID broadcast is clearly heard and understood over a 2.0 sq. km area.

Ideal for military sites, compounds, small campuses, industrial sites and incident management, the portable 360XL-MID Mobile Kit delivers voice and emergency broadcasts with unsurpassed clarity and area coverage.

Multiple systems can be employed to cover larger areas if needed. The 360XL-MID Mobile Kit quickly deploys and does not require heavy equipment for transport or setup.
